ForwarderBenchmarkingClub

**Confidentially benchmark your ocean carrier buy-rates
against your peers**

From the market leaders in ocean freight rate intelligence

Today's ocean freight market has never been more complex and challenging. By joining our unique forwarder service you will be able to confidentially benchmark your freight rates against your peers - based on genuine, forwarder-only, buy rate comparisons.

An exclusive freight cost benchmarking service designed to meet the specific needs of freight forwarders and NVOCCs

Forwarder Benchmarking Club is designed to meet the specific needs of freight forwarders and non-vessel operating common carriers (NVOCCs).

Q.. How do your ocean carrier buy-rates compare with your peers..?

Q.. How convinced are your clients, that you are offering the most competitive market rates..?

Q.. What is the margin opportunity between your carrier buy-rates and BCO sell rates..?

More than 12 years providing ocean freight rate intelligence to the market

"We selected Drewry's Benchmarking Club to benchmark our ocean rates with other retail industry leaders and to gain insight into container shipping market trends, forecasts and best practices through webinars provided to Club members by Drewry."

"Drewry's Benchmarking Club enables us to ensure that we secure competitive freight rates with carriers and identify lanes where we could possibly further lower our costs."

"Benchmarking Club data allows us to see trends from both the market and Drewry point of view which provided strategic value on what to expect during the upcoming procurement process. The comparisons of our company's position in transit times, rates, and shipment methods are of particular value."

"Drewry has been very helpful to us in benchmarking our shipping costs and in developing strategies to improve our shipping efficiency and effectiveness".
