About Drewry Research
Drewry Maritime Research is the research arm of global shipping consultancy Drewry. The company has over 40 years’ experience in the maritime sector and employs more than 90 specialists across its offices in London, Delhi, Singapore and Shanghai.

Our market research is renowned for its quality and is trusted by industry leaders around the world to deliver impartial, robust analysis and balanced opinion. This independence, alongside our sector knowledge and expertise, sets our research apart and gives clients the rich market insight they need to make informed business decisions.

Copyright Terms and Conditions
Drewry owns full copyright of all its research products, covering both reports and online interactive resources. Drewry’s rights and entitlements as copyright holder are protected by law in all jurisdictions. In this context, Drewry operates a simple policy of single-site and multi-site licences. All basic research products are sold on the basis of a standard licence covering a single site.
