Reefer Shipping
Annual Review and Forecast
ANNUAL REPORT 2020/21
# Contents

1. Executive Summary ................................................................. 4
   - Reefer trade development .................................................. 5
   - Modal share ........................................................................ 7
   - Specialised reefer fleet ...................................................... 9
   - Containership reefer plug & equipment availability ............ 9
   - Reefer freight rates ............................................................ 11

2. Trade Development ................................................................. 13
   - Global trade summary .......................................................... 13
   - Regional trade summary ..................................................... 18
   - Trade outlook ..................................................................... 22
   - Modal split outlook ............................................................ 29

3. Trade By Commodity ............................................................... 32
   - Introduction ........................................................................ 32
   - Changes to Drewry commodity group definitions ............... 32
   - Meat and poultry ............................................................... 33
   - Bananas ............................................................................. 37
   - Fish and seafood ............................................................... 41
   - Fresh vegetables .................................................................. 45
   - Deciduous ............................................................................ 49
   - Citrus .................................................................................. 54
   - Exotic fruit .......................................................................... 58
   - Dairy and milk ..................................................................... 63
   - Frozen potatoes ................................................................... 66

3. Trade By Commodity cont’d
   • Confectionery ................................................................. 69
   • Frozen vegetables.......................................................... 72
   • Melons and berries ......................................................... 76
   • Pharmaceuticals ............................................................ 79
   • Frozen fruit juice and fruit ............................................. 82
   • Cut flowers..................................................................... 86

4. Reefer Containership Capacity ......................... 89
   • Introduction.................................................................... 89
   • Containership fleet......................................................... 89
   • Refrigerated container equipment fleet ..................... 95

5. Containership Operators ................................. 102
   • Sector overview.......................................................... 102
   • Container shipping line profiles ................................. 108

6. Specialised Reefer Fleet Capacity ................. 120
   • Specialised reefer fleet ................................................. 120
   • Specialised reefer carrier profiles ............................. 129
   • Operating costs .......................................................... 139

7. Reefer Shipping Market ................................. 141
   • Introduction.................................................................... 141
   • Reefer container market development ..................... 143
   • Specialised reefer vessel market development .......... 148
   • Supply/demand outlook ............................................... 152
Contents

8. Trade Route Analysis ..................................................... 154
   • North America to Asia ................................................ 154
   • North Europe to Asia ............................................... 160
   • North Europe to North America ................................ 164
   • Europe to Middle East ........................................... 168
   • Mediterranean to Asia ........................................... 173
   • East Coast South America to Asia ......................... 177
   • ECSA to Europe ................................................... 182
   • Southern Africa to Europe .................................. 187
   • Southern Africa to Asia ......................................... 192
   • West Coast of South America to Europe ............... 197
   • West Coast of South America to Asia .................... 202
   • Oceania to North Europe .................................. 207
   • Oceania to Asia .................................................. 212
   • Central America and Caribbean to North America ... 216
   • Central America and Caribbean to North Europe ...... 220

## Tables

**TABLE 2.1** TOTAL WORLDWIDE PERISHABLEREEFER TRADE (MILLION TONNES) ................................................................. 14
**TABLE 2.2** WORLDWIDE SEABORNE TRADE CAGR (MILLION TONNES) .......................................................... 16
**TABLE 2.3** TOTAL ESTIMATED SEABORNE PERISHABLE REEFER TRADE (MILLION TONNES) .......................................................... 17
**TABLE 2.4** SEABORNE TRADE BY MAJOR TRADE ROUTE (MILLION TONNES) .......................................................... 19
**TABLE 2.5** PROJECTED WORLDWIDE TRADE OF PERISHABLE REEFER CARGO (MILLION TONNES) ............. 23
**TABLE 2.6** PROJECTED WORLDWIDE TRADE OF SEABORNE PERISHABLE REEFER CARGO (MILLION TONNES) ....... 25
**TABLE 2.7** FORECAST SEABORNE TRADE BY TRADE ROUTE (MILLION TONNES) .............................................. 26
**TABLE 2.8** ESTIMATED PERISHABLE REEFER CARGO MODAL SPLIT, 2019 .............................................................. 29
**TABLE 2.9** ESTIMATED PERISHABLE REEFER CARGO MODAL SPLIT ............................................................... 30
**TABLE 3.1** MAJOR EXPORTING SEABORNE REGIONS OF MEAT & POULTRY IN 2019 BY IMPORT REGION ........... 36
**TABLE 3.2** MAJOR EXPORTING SEABORNE REGIONS OF BANANAS IN 2019 BY IMPORT REGION .................. 40
**TABLE 3.3** MAJOR EXPORTING SEABORNE REGIONS OF FISH & SEAFOOD IN 2019 BY IMPORT REGION ..... 44
**TABLE 3.4** MAJOR EXPORTING SEABORNE REGIONS OF FRESH VEGETABLES IN 2019 BY IMPORT REGION .......... 48
**TABLE 3.5** MAJOR EXPORTING SEABORNE REGIONS OF DECIDUOUS FRUIT IN 2019 BY IMPORT REGION .. 52
**TABLE 3.6** MAJOR EXPORTING SEABORNE REGIONS OF CITRUS FRUIT IN 2019 BY IMPORT REGION .......... 57
**TABLE 3.7** MAJOR EXPORTING SEABORNE REGIONS OF EXOTIC FRUIT IN 2019 BY IMPORT REGION ............. 61
**TABLE 3.8** MAJOR EXPORTING SEABORNE REGIONS OF DAIRY IN 2019 BY IMPORT REGION ..................... 65
**TABLE 3.9** MAJOR EXPORTING SEABORNE REGIONS OF FROZEN POTATOES IN 2019 BY IMPORT REGION ...... 68
**TABLE 3.10** MAJOR EXPORTING SEABORNE REGIONS OF CONFECTIONERY IN 2019 BY IMPORT REGION .... 71
**TABLE 3.11** MAJOR EXPORTING SEABORNE REGIONS OF FROZEN VEGETABLES IN 2019 BY IMPORT REGION ........ 75
**TABLE 3.12** MAJOR EXPORTING SEABORNE REGIONS OF MELONS AND BERRIES IN 2019 BY IMPORT REGION ... 78
**TABLE 3.13** MAJOR EXPORTING SEABORNE REGIONS OF PHARMACEUTICALS IN 2019 BY IMPORT REGION .... 81
**TABLE 3.14** MAJOR EXPORTING SEABORNE REGIONS OF FROZEN FRUIT/JUICES IN 2019 BY IMPORT REGION .... 85
**TABLE 3.15** MAJOR EXPORTING SEABORNE REGIONS OF CUT FLOWERS IN 2019 BY IMPORT REGION .............. 88
**TABLE 4.1** WORLD CELLULAR CONTAINER FLEET BY SIZE RANGE, JUNE 2020 VS JUNE 2019 ...................... 90
**TABLE 4.2** CONFIRMED CONTAINERSHIP ORDERBOOK BY TOTAL CAPACITY (TEU) AND REEFER CAPACITY (PLUGS) AND DELIVERY DATE, JUNE 2020 ................................. 92
**TABLE 4.3** ADJUSTED CONTAINERSHIP ORDERBOOK, 2016-24 (‘000 TEU) ............................................................... 94
**TABLE 5.1** FINANCIAL RESULTS OF SELECTED CARRIERS, 12 MONTHS 2018-19 ($ MILLION) ......................... 104
**TABLE 5.2** CARRYINGS OF SELECTED CARRIERS (‘000 TEU) ......................................................................... 104
**TABLE 5.3** REEFER INTENSIVE CONTAINER VESSEL FLEET AND ORDER BOOK BY OPERATOR, JUNE 2020 .... 107
**TABLE 5.4** MAERSK FLEET BY VESSEL SIZE, JUNE 2020 .................................................................................. 108
**TABLE 5.5** MAERSK NEWBUILDING ORDERS, JUNE 2020 ............................................................................. 108
**TABLE 5.6** MSC FLEET BY VESSEL SIZE, JUNE 2020 ......................................................................................... 109
**TABLE 5.7** MSC NEWBUILDING ORDERS, JUNE 2020 .................................................................................... 109
**TABLE 5.8** CMA CGM FLEET BY VESSEL SIZE, JUNE 2020 .............................................................................. 110
**TABLE 5.9** CMA CGM NEWBUILDING ORDERS, JUNE 2020 ........................................................................... 110
**TABLE 5.10** COSCO FLEET BY VESSEL SIZE, JUNE 2020 ................................................................................. 111
**TABLE 5.11** COSCO NEWBUILDING ORDERS, JUNE 2020 ............................................................................. 111
**TABLE 5.12** HAPAG-LLOYD FLEET BY VESSEL SIZE, JUNE 2020 ................................................................. 112
**TABLE 5.13** HAPAG-LLOYD NEWBUILDING ORDERS, JUNE 2020 ............................................................ 112
**TABLE 5.14** ONE FLEET BY VESSEL SIZE, JUNE 2020 ...................................................................................... 113
**TABLE 5.15** ONE NEWBUILDING ORDERS, JUNE 2020 ..................................................................................... 113
**TABLE 5.16** EVERGREEN FLEET BY VESSEL SIZE, JUNE 2020 ................................................................. 114
**TABLE 5.17** EVERGREEN NEWBUILDING ORDERS, JUNE 2020 ............................................................. 114
**TABLE 5.18** YANG MING FLEET BY VESSEL SIZE, JUNE 2020 ................................................................. 115
**TABLE 5.19** YANG MING NEWBUILDING ORDERS, JUNE 2020 ............................................................. 115

About Drewry Research
Drewry Maritime Research is the research arm of global shipping consultancy Drewry. The company has over 40 years’ experience in the maritime sector and employs more than 90 specialists across its offices in London, Delhi, Singapore and Shanghai.

Our market research is renowned for its quality and is trusted by industry leaders around the world to deliver impartial, robust analysis and balanced opinion. This independence, alongside our sector knowledge and expertise, sets our research apart and gives clients the rich market insight they need to make informed business decisions.

Copyright Terms and Conditions
Drewry owns full copyright of all its research products, covering both reports and online interactive resources. Drewry’s rights and entitlements as copyright holder are protected by law in all jurisdictions. In this context, Drewry operates a simple policy of single-site and multi-site licences. All basic research products are sold on the basis of a standard licence covering a single site.
